Hello everybody and welcome to the #LTHEchat. We have the pleasure to have @LeoHavemann and Rhona Sharpe @rjsharpe with us today.
7:57 PM - 10 Jun 2015

We will discuss Learner experience of technology #LTHEchat
7:57 PM - 10 Jun 2015
@LTHEchat @LeoHavemann @rjsharpe evening all, #LTHEchat
7:58 PM - 10 Jun 2015

If you are new to the chat do please say hello and introduce yourself! #LTHEchat
7:58 PM - 10 Jun 2015

@LTHEchat Hi Everyone #LTHEchat
8:00 PM - 10 Jun 2015

Are you ready? Let's make a start... #LTHEchat
8:00 PM - 10 Jun 2015

Q1: Learner experiences vary considerably. How can we talk about difference in a meaningful way? #LTHEchat
8:00 PM - 10 Jun 2015
Is "Learners' Experiences of e-Learning" different to "Learner experience of technology"? #LTHEchat
8:01 PM - 10 Jun 2015

@LTHEchat Hi All :) #lthechat
8:01 PM - 10 Jun 2015

Not letting us in gently than ;-) #LTHEchat
8:01 PM - 10 Jun 2015

Finding the first question of this live chat interesting! #LTHEchat #uga_at twitter.com/lthechat/status...
Hello everyone, I'm not especially new to #LTHEchat but certainly the most involved I've been, I tend to lurk!
8:02 PM - 10 Jun 2015

---

Good evening. Stood as usual front of cooker. #LTHEchat
8:02 PM - 10 Jun 2015 · Wharncliffe Side, England, United Kingdom

---

@LTHEchat A1 We can talk about difference from the viewpoint of what the person has learnt, so others in the group can learn #LTHEchat
8:02 PM - 10 Jun 2015

---

A1: As noted in quality enhancement conference today, recognise not all learners the same, v. different international learners #itethechat
8:02 PM - 10 Jun 2015
Neil Withnell @neilwithnell

A1 difference = individual learning styles? meaningful if we consider this #lthechat
8:02 PM - 10 Jun 2015

Anna Wood @Annakwood

@simonrae @LTHEchat Yes I'd say. Doing something like learning is bound to be different to say banking or using social media #LTHEchat

Evening all! That first question is really something to get our teeth into :) #lthechat

I would agree with that Simon #LTHechat

yes true - this is a tough question, it's how and what they felt during the experience #LTHechat

but if all learners different, is it possible to say anything useful? #LTHechat
@Annakwood @LTHEchat Demographics referred to at quality enhancement conference today as 'individual differences'
